

## PERMANENT RECRUITMENT

Druid has built a strong reputation in providing its clients with quality candidates for permanent roles. The following are examples of the varied permanent roles filled by Druid recently.

---

CLIENT: Global Management Consultancy – Financial Services Practice  
ROLE: Senior Manager  
SALARY: £85,000

The client, a global management consultancy, required a Senior Manager to be recruited into their capital markets practice due to recent attrition at this level. On a contingent basis, Druid found the ideal candidate working at a Tier 1 Investment Bank, who was keen to pursue a career in consulting. The candidate, 1 year after joining, leads a global business stream and is due to be promoted to Partner within 2 years of joining.

---

CLIENT: UK Management Consultancy – Utilities Practice  
ROLE: Technical Architect  
SALARY: £75,000

The client, a medium sized UK based technology consultancy, required a Technical Architect to be recruited into their utilities practice due to recent client demand. Simply by using Druids own network of candidates, we quickly assembled a shortlist of candidates, which resulted in multiple hires

---

CLIENT: Financial Services Management Consultancy  
ROLE: Ongoing Recruitment at Consultant, Senior Consultant and Director  
SALARY: £40-90k

The client, a medium sized financial services specialist consultancy, required an agency to work alongside it on an ongoing basis, recruiting a variety of business, strategy and technology consultants in the Financial Services area. Druid has, over a period of two years, consistently been ranked as their number one supplier of contingent recruitment services.

---

CLIENT: Big 4 Management Consulting  
ROLE: 2 X Telecoms Junior Technical Project Managers  
SALARY: £40-55k

The client, a Big 4 management consultancy, required a Junior Technical Project Manager who had sector exposure in the Telecoms sector. This challenging role was filled by a combination of advertised selection (on-line) and database search within extremely tight deadlines.
